

Photo Permission

The Department of Defence seeks your permission on behalf of the Australian Signals Directorate Information Security Hub (DISH) to take, store and use the recorded footage of your image /s for use in Defence Publications.

The resulting photographs may be used in the promotion of the Canberra Girls' Programming Network and by Defence over the next three years.

The resulting images will also be electronically archived for historical purposes.

Please signify your consent by signing the form below.

Yours faithfully

*Wendy Keam
Education Outreach Assistant*

*I, (full name) give permission on behalf of my
child (child's full name) for her image to be used
for the purposes outlined above.*
